Comprehensive Occupational
Healthcare Solutions

AT A GLANCE

OccuMed is the approved occupational health service provider in Abu Dhabi that has delivered its vast plethora of 600+ clients with exceptional service for the past 9 years and continues to do so conscientiously.

MISSION

To assist clients in achieving maximum staff productivity while minimizing costs by ensuring the health and well-being of their employees. To ensure the elimination and prevention of workplace health hazards, as well as to assist in making any workplace a safe environment and facilitating a quick and safe return to work.

VISION

To continuously exceed the global standards of excellence in occupational medicine and healthcare and to be an unmatched leader in providing world class medical professionals as well as occupational medicine solutions.

CEO'S MESSAGE

Since its listing Response Plus Holding has attained a global reach and is one of the leading pre-hospital care organizations in the region. RPM ensures unparalleled care to patients throughout their pre-hospital journey, ensuring their well-being until they reach the hospital. We aim to redefine the scope of advanced healthcare solutions in the corporate as well as public sectors at large with a wide range of verticals including Emergency Medical Services, O&M of healthcare facilities, medical manpower supply, etc. Through our Training academy and educational partnerships, we hope to actively be part of the fundamental shift in the healthcare sector.

Our focus is to finalize global partnerships with key healthcare specialists and welcome various new layers within our comprehensive model to the GCC.

We value our commitment to our stakeholder in upholding the highest standards of corporate governance along with achieving excellence in healthcare management.

In this unique sector, we aim to be the best provider and, in the process, keep spreading our services with the continuous support of all our skilled personnel and trusted partners we will chart a course towards continued success and growth in the region and beyond.

As we embark on this journey together, we are committed to creating a memorable and impactful experience for our stakeholders and community.

ABOUT RESPONSE PLUS HOLDING PJSC
